Clarke Roxburgh
Insurance for Electrical Contractors

be sure

A specialist service

As a specialist involved in the Electrical Contracting Industry you know that Contractors Insurance is a highly specialised field that demands the right company to handle it for you.

At Clarke Roxburgh our Electrical Contractors team are specialists in this area and are dedicated to providing you with the high quality insurance products and support you need to handle this important aspect of your business.

Whether you trade on your own or have 20 or more employees, whether you have one van or a fleet, we can make your insurance simpler, less costly and provide you with higher levels of cover.

Making it easy

Clarke Roxburgh's Electrical Contractors Insurance scheme has been designed to remove the hassle that is usually associated with arranging insurance:

- We have a simple pricing structure which means our premiums are highly competitive
- There is minimal paperwork to save you time and effort
- Payment can be made by interest free direct debit helping your cash-flow
- We have removed the need for declarations at the end of your insurance year meaning what we quote on day one is what you pay for the year
- As insurance brokers we are able to handle all your insurance requirements, making it easier for you to concentrate on the important task of running your business

For a no obligation quotation, please contact us on: **0845 833 0561**
Or email us at: electrical@clarkeroxburgh.co.uk

Better returns

As one of the largest independent insurance brokers in the UK, we are able to use our considerable buying power with the major insurers to arrange highly competitive premiums for all of your insurance requirements.

Our specialist team will be happy to provide you with a quotation for:

- Liability Insurance
- Business Premises
- Business Vehicles and Fleets
- Directors and Officers Liability

Our Personal and Financial Planning teams will also be happy to assist you with any other types of insurance.

Tailor-made cover

Our knowledge of the Electrical Contracting Industry has enabled us to develop special insurance exclusive to Clarke Roxburgh.

Below are just a few examples of what is available to **Clarke Roxburgh customers**:

- **Employers Liability cover of £10M**
There is no need for you to tell us if you have taken on someone else or if you are employing outside contractors as **our policy** automatically covers them
- **Professional Indemnity Insurance for PAT Testing and Part P Certification**
Many standard policies offer this as an expensive add-on, **our policy** automatically provides this cover
- **Efficacy Cover (cover for loss or damage following the failure of an item you have fitted)**
Most standard policies either exclude this cover altogether or charge a high additional premium for it, **our policy** automatically includes efficacy for domestic alarms and fire systems
- And **many more** aspects of cover which together make this a market leading insurance policy

It is important to remember when arranging your insurance that not all insurance policies are the same. With Clarke Roxburgh you can **be sure** that you have the best cover available giving you total peace of mind.

About Clarke Roxburgh

Established in 1966, we are one of the UK's top ten independent insurance brokers, serving customers nationwide. Our business is founded on providing responsive personal service, expert, jargon-free advice and high quality cover at economical rates. Our aim is to make the whole business of getting insured as simple and stress-free for our clients as we can.

Although we are completely independent, we have long-established links with leading insurers. We work in close partnership with these companies to develop flexible and cost-effective insurance packages tailored to the specific needs of our clients.
